BRUNEI DARUSSALAM FOOD AUTHORITY

# BRUNEI DARUSSALAM FOOD AUTHORITY

FOOD SAFETY FOR ALL

ESTABLISHED ON  
1st JANUARY 2021

## OUR VISION

---

- To ensure that food in Brunei Darussalam is of high quality, clean and safe, therefore protecting everyone's health and safety.
- To ensure food produced in Brunei Darussalam are trusted and known throughout the world.

## OUR MISSION

---

- To strengthen and further develop a robust food safety system in order to achieve our vision.

## OUR FUNCTIONS

---

- Ensure all food in Brunei Darussalam are safe and of good quality by enforcing relevant food legislation.
- Make available and implement a strong food safety system.
- Ensure all food related businesses, operators and persons will follow good standards for personal hygiene and food products.
- Monitor and inspect, test and certify food or premises.
- Facilitate and assist to meet the food safety standards and requirements.
- Issue certifications, licenses and permits.

## OUR RESPONSIBILITIES

---

- Inspections, surveillance & sampling.
- Issuance of food related permits, certificates (including export) and licenses.
- Consultation on food safety related issues.
- Food premise grading programme
- Food import registration
- Food handlers health education programme

## OUR SCOPE

---

Our scope includes the responsibility to ensure the safety of food; from their manufacture to its sale on the shelves. This includes processed food, fresh meat and vegetables that have left the farm and imported food products.

However, the sale of fresh fish and fisheries products are still under the control of the Ministry of Primary Resources and Tourism.

**TARIKH DITUBUHKAN**

**1 Januari 2021**

## FUNGSI BDFa

---

- Memastikan semua makanan di Brunei Darussalam adalah selamat dan berkualiti dengan menguatkuasakan perundangan makanan yang relevan.
- Membangunkan dan melaksanakan sistem keselamatan makanan yang kukuh.
- Memastikan semua perusahaan makanan terutama pengendali makanan untuk mematuhi standard kebersihan diri dan produk makanan.
- Memantau, memeriksa, membuat ujian makmal dan mengesahkan produk makanan atau premis makanan.
- Membantu dalam memenuhi standard dan keperluan keselamatan makanan.
- Mengeluarkan sijil, lesen dan permit.

## VISI BDFa

---

- Untuk memastikan produk makanan di Brunei Darussalam adalah selamat, bersih dan berkualiti bagi menjamin keselamatan dan kesihatan pengguna.
- Untuk memastikan makanan yang dihasilkan di negara ini dipercayai dan dikenali seluruh dunia.

## MISI BDFa

---

- Untuk mengukuhkan dan membangunkan sistem keselamatan makanan yang mantap untuk mencapai visi kami.

## TANGUNGJAWAB BDFa

---

- Pemeriksaan pemantauan dan penghantaran sampel.
- Mengeluarkan permit, sijil dan lesen yang berkaitan dengan makanan.
- Khidmat nasihat berkaitan perkara keselamatan makanan.
- Program penggredan premis makanan.
- Pendaftaran makanan import.
- Program pendidikan kesihatan pengendali makanan.

## SKOP BDFa

---

Skop kami termasuk bertanggungjawab ke atas keselamatan makanan; bermula dari pembuatan makanan hinggalah penjualannya. Ini termasuk makanan yang berproses, daging mentah dan sayur-sayuran dari ladang dan juga produk-produk makanan import.

Walaupun bagaimanapun, penjualan ikan segar dan hasil perikanan masih dibawah kawalan Kementerian Sumber-Sumber Utama dan Pelancongan.
